## ? **FREQUENTLY** ? **ASKED QUESTIONS**

### ***When does the range close early and when do we hit off the mats on the range?***

The range closes early on Sunday and Wednesday evenings. We hit off the mats on Mondays and when we have an outing with a shotgun start. When the signs "irons only" are on the range you can also hit woods as long as you don't hit them longer than 200 yards.

## ANNUAL MEETINGS

September 1st-2nd respectively at 8:30 pm is when these meetings will be open to all WGA and MGA members.

If you are interested in serving on one of these committees please give your pro shop staff a call and we'll pass your name along. The terms are for two years and both committees meet monthly except during the winter months.

### Donations Needed for Couples Divorce Open

**KERRI HARRIS**, representing the WGA, is asking any members who may wish to donate to this year's Couples Divorce Open to either contact Kerri or drop off your donation at the pro shop and we'll get that donation to her. She is asking for \$25 hole sponsorships or any item, like a gift certificate, that can be used as a prize for that event.

*Thanks for helping her and your club by donating or playing in the event.*

## RULE 24/5

This rule states that the white stakes on the right side during play of holes #3 and #9 are **immovable obstructions**. You are entitled to relief without penalty if the stake interferes with your stance or swing while playing holes #3 and #9. However you **cannot** lift them from the ground. Never touch an out of bounds stake.

## HOLE #6

This can be a dangerous driving hole. If your partner is going to hit from just below the hill please position yourself on the top of the hill to let the group behind you know they can't tee off yet.

## COMMON COURTESY

On the golf course, common courtesy is part of good golf etiquette. If you are playing in a group that falls one hole or more behind the group ahead of you please either pick up the pace of play or allow faster groups to play through. If you are being held up by a slow group that does have a hole open in front of them it is fine to ask them nicely if you can play through. If someone in your group hits a shot and it may be headed toward other players please yell fore at the top of your lungs. Thank you.

## THE MESSAGE BOARD

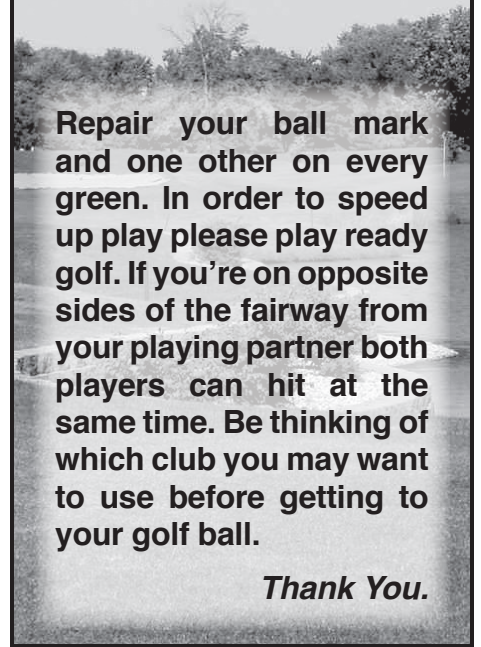

Check it (It's located inside the vestibule doors) when making the turn or when you have completed your round. If your name is on the board please stop in the pro shop to retrieve your message.

## BUG SPRAY

Definitely needed with all the rain we've had. Please put that bug spray on when you are standing on a cart path.

Thanks for your cooperation.

## HELP THE GREENS

**Repair your ball mark and one other on every green. In order to speed up play please play ready golf. If you're on opposite sides of the fairway from your playing partner both players can hit at the same time. Be thinking of which club you may want to use before getting to your golf ball.**

*Thank You.*

## TIP FOR AUGUST

If your ball is in a water hazard (yellow stakes) or a lateral water hazard (red stakes) you can remove the stake (movable obstruction) if you want to. If the stake cannot be removed (immovable obstruction) you are **not** entitled to relief without penalty from it. However if your ball is **outside** a hazard you are entitled to relief without penalty from this stake (immovable obstruction).

**Have fun with golf,  
Your Pro Shop Staff**
